BOAT LIFTS

4-POST BOAT LIFT

GOLDEN 4-POST LIFT: Saltwater Approved & Trusted Beyond its Warranty

Golden's 4-Post lifts are traditional cable drawn shafted beam boat lifts mounted on 4 pilings. They are engineered to withstand the harshest saltwater conditions using 6061-T6 marine grade aluminum and 300 series stainless steel hardware. Our lifts come standard with the patented Golden Sea-Drive® with stainless steel motors and offer innovative patented features and design. Golden Boat Lifts® are backed by the best warranty in the industry.

FEATURES

- 6061-T6 Marine grade aluminum
- 300 series stainless steel hardware
- Fully welded aluminum structure on all non-adjustable parts
- Top beams with bearing blocks & patented anti-shear plates
- 3.5" grooved aluminum winders with patented cable retention bolt
- Golden Sea-Drives® with a 10 year warranty
- Stainless steel motors & cables
