# KAYAK LAUNCH®: Easy In and Out

Golden's innovative, patented Kayak Launch® was designed with ease of use in mind to assist you in launching and retrieving your kayak, canoe, or paddle board into the water. The Kayak Launch® is great for the individual adventurer, fisherman, family, and recreational user in both fresh and salt water. Golden prides itself on making all its products custom to its owner and the Kayak Launch® is no exception to this. The 5-step and 7-step Kayak Launch® are available in 2 different configurations to accommodate varying water levels, vessels, and heavier weight capacities.
